

1.0 Step

Subscriber completing information

The form contains the following fields and elements:

- Name:** Input field with placeholder "Dein Name".
- Emailadresse:** Input field with placeholder "Dein Emailadresse".
- Was beschreibt dich am besten?:** Radio button options for "Talente", "Creator", and "Leser".
- Submit:** A large button at the bottom.

Annotations:

- Red arrows point from a red box labeled "Forwarded as it is" to the Name and Email fields.
- A yellow box labeled "Only forwarding the information acc. to what submitter is checking" has arrows pointing to the radio button options.

1.1 Step

Information stored in webflow

Date	name	Email	Talente	Creator	Leser
3 hours ago	sebastian	seb.smm22@gmail.com	true	false	false
2 days ago	sea	sea	false	true	false

3 Step

Result

The profile shows the following information:

- EMAIL ADDRESS:** seb.smm22@gmail.com
- FIRST NAME:** sebastian
- TAGS (Tags):** A red circle highlights the tags "Creator", "Leser", and "Talente".
